

I'm not robot!

Yumpu automatically turns print PDFs into web-optimized epapers that Google loves. Copy Stolen as Artist - Austin Kleon has extended the settings incorporated in this book, Austin Kleon shares ten principles to discover your artistic side. By Austin Kleon, the author of the newspaper's Blackout poetry collection. He steals while an artist helps readers discover his artistic side and have a very creative life. Nothing is original, says the author, so it better accepts influences, educates you in the work of the demians, reinvents and mixes your path. Find a hobby you love and convince him in your work: write the book you would like to read and the movie you would like to see. And then, you know: don't straighten yourself, eat healthy, act sensibly and be careful to be adventurous and bold! It doesn't matter if you're a graphic designer, music artist, or artist, or sports artist, or writer, painter, or designer ... Creativity he easily escapes from any mind. You need the ten Austin Kleon steps to tidy from your mind to your desk and recover creativity and trust what you think. Do you need ten things to unleash your creativity?: 1. He steals as an artist. 2. Don't wait until you know what you are to start things. 3. Write the book you want to read. 4. Use your hands. 5 Extra projects and hobbies are important. 6 The secret: doing a good job and competing. 7 Geography no longer commands'. 8 Friendly. (The world is a country). 9. bored. (A the only way to work.). 10 Also the creativity A is to be subtracted. There's that critics said: "The book as a whole A is tremendously fun and fun". -Sarah Manzano, empty paper.
